Education

Bachelor of Interactive Design and Development

2023 - 2027

Gyalpozhing College of Information Technology

Arts (Class XII)

2022

Karma Academy

Experience

Freelance Designer | Thimphu, Bhutan

AFK X Gaming | Graphic Designer

- Designed a promotional poster for Diamond and PUBG recharge services. Focused on clear visual communication, engaging layout, and effective marketing design to attract potential customers and promote the services.

Corporate Video for Greener Way | Producer

- Produced a corporate video for Greener Way, focusing on clear storytelling and professional visual presentation. Managed the planning, coordination, and creative direction to effectively communicate the organization's mission and environmental initiatives.

Projects

SCAN2DINE - QR-Based Restaurant Menu System

February 2025 - June 2025

Role: UI/UX Designer

- Designed a QR-based digital menu web application for restaurants.
- Created a clean and user-friendly interface to improve the dining experience.
- Enabled customers to easily view menus, explore dishes, and place orders digitally.

Q-Less - Queue Management System

August 2025 - December 2025

Role: UI/UX Designer and Frontend Developer

- Designed and developed a web application to simplify queue and waiting line management.
- Created an intuitive and user-friendly interface for customers and service providers.
- Enabled users to join queues digitally, reducing waiting time and improving service efficiency.

NDP (No Due Portal) - Due Clearance Management System

August 2025 - December 2025

Role: UI/UX Designer

- Designed and developed a mobile application to manage student no-due clearance processes.
- Created a simple and organized interface for students and administrators.
- Enabled digital submission, tracking, and approval of clearance requests to reduce paperwork and improve efficiency.

Achievements

SCAN2DINE

2025

Awarded Best Project in the PRJ202 Project Showcase for developing SCAN2DINE, a QR-based digital menu web application. The project focused on improving the restaurant dining experience by allowing customers to scan a QR code to view menus digitally. It demonstrated innovation, usability, and a practical solution for modern restaurant services.

De-sung Basic Military Training

2023

Completed a three-month De-suung Basic Military Training program, focusing on discipline, teamwork, leadership, and national service. Developed physical endurance, responsibility, and emergency response awareness through structured training. The certificate was awarded by Batoo Tshering and His Majesty's Secretariat, recognizing successful completion of the program and commitment to the values of the DeSuung initiative.

International Cultural Exchange Program

2016

Selected as one of six students through a competitive essay writing and speech competition to participate in a two-week cultural exchange program in Japan. Engaged with participants from various countries, gaining exposure to diverse perspectives and cultures. Stayed with a Japanese host family, which provided firsthand experience of Japanese traditions, lifestyle, and cultural practices, fostering cross-cultural understanding and global awareness.

Certifications

Introduction to Cybersecurity - Cisco Networking Academy **2024**

Completed a foundational course on cybersecurity through the Cisco Networking Academy program. Learned essential concepts including cyber threats, vulnerabilities, network security, and data protection. Gained a basic understanding of cybersecurity principles and best practices for protecting systems and digital information.

DeSuung Volunteer Service - Trashigang Dzongkhag **2023**

Served as a DeSuung volunteer during the Kanglung Tshechu in Trashigang Dzongkhag for three days, supporting the smooth conduct of the festival. Responsibilities included maintaining cleanliness of event areas, assisting with crowd management, and organizing parking. Also collaborated with local police during night duty to help monitor public safety, including handling issues related to gambling, alcohol misuse, and public disturbances. Demonstrated teamwork, discipline, and commitment to community service.

De-sung Volunteer Service - Fourth National Assembly Election **2023**

Served as a De-suung volunteer during the Fourth National Assembly Election of Bhutan at Pemagatshel Dzongkhag. Contributed to the successful conduct of the national election by supporting logistics, maintaining order, and assisting election officials and the public. Demonstrated commitment to national service, responsibility, and teamwork while ensuring a smooth and secure electoral process.

Youth Volunteer Service - Moenlam Chenmo **2019**

Served as a Youth Volunteer during the Moenlam Chenmo in Samdrup Jongkhar. Assisted in supporting the event by serving tea and meals to attendees, maintaining cleanliness in dining and gathering areas, and helping manage general logistics. Demonstrated teamwork, responsibility, and commitment to community service.

Drawing Competition - International Yoga Event **2017**

Participated in a drawing competition organized by the Indian Yoga Association as part of a yoga event in 2017. Demonstrated creativity and artistic skills by contributing artwork aligned with the theme of yoga, health, and well-being.

Languages

Dzongkha - Native proficiency
